## 10ft Wide Bromley gable

### Eaves, ridge and door height

A standard 10ft wide Bromley has 5ft 6" eaves and a ridge height of 8ft 8". The height of the door is 1890mm as standard.

For a Bromley with 6ft eaves, the ridge height would be raised to 9ft 2".

If you require a door on the long side of your greenhouse, this would raise the eaves height to 6ft 6" and the ridge height to 9ft 8".
