

12ft Wide Bromley gable

Eaves, ridge and door height

A standard 12ft wide Bromley has 5ft 6" eaves and a ridge height of 9ft 4". The height of the door is 1890mm as standard.

For a Bromley with 6ft eaves, the ridge height would be raised to 9ft 10".

If you require a door on the long side of your greenhouse, this would raise the eaves height to 6ft 6" and the ridge height to 10ft 4".

****Please note dimensions are approximate****
